SCOPE

The conference is aimed to serve as an international forum for effective exchange of scientific knowledge and experience among researchers active in various theoretical and applied areas of electronic equipments, communication, automatic control, applied informatics, information technology and computer science.

The program will include plenary and regular sessions, special sessions, workshops, round tables, and social events. The conference's official language is English.

AREAS OF INTEREST:

Electronic circuits and equipments;
Communications;
Microwaves - techniques and technologies & EMC;
Bio-medical applications & biomaterials;
Software and computer applications;
Data bases;
Expert systems & Artificial Intelligence
Educational multimedia applications;
Environmental issues. Other topics are welcome.

SPECIAL SESSIONS (proposed by contributors)

Special sessions will include 4-5 invited papers. These papers should present a cohesive and comprehensive discussion of a relevant topic, consistent with the conference topics. **Prospective organizers** are invited to submit by email the proposed session title and the extended (two pages) abstracts or the full papers. Deadline for submission is January 20, 2007. The acceptance of the special session will be notified on February 15, 2007. For the submission of full papers see IMPORTANT DEADLINES.

POSTERS and EXHIBITION

Appropriate facilities for posters advertising and products exhibiting will be available. These are specially addressed to the research institutions/centers for their recent and relevant achievements. For more details about this opportunity, please contact the Organizers as quickly.

IMPORTANT DEADLINES

Ian. 20, 2006:	Proposals of special sessions.
Feb. 15, 2007:	Submission of regular papers (4 or 6 pages) as PDF files, together with the completed preregistration forms at the e-mail address: ecai@upit.ro
April 15, 2007:	Notification of acceptance.
May 15, 2007:	Camera-ready version of the accepted papers (MS Word file and pdf), registration form and fee are due.

INSTRUCTIONS FOR AUTHORS

The length of a paper should be either 4 or 6 pages. Please follow carefully the *Instructions for Authors and use the ECAI2007-Template-styles*. The camera-ready version should be prepared as MS Word files. Each contributor (author or co-author) can submit only two papers.

REGULAR PAPERS

These are requested in all areas consistent with the conference topics. Authors are asked to submit their original work by uploading it on the conference website the full papers of 4 or 6 pages length in electronic form. Authors are requested to clearly point out - at paper submission and e-mail correspondence, *the name of the topic* to which their paper is submitted to (e.g., Environmental issues).

PAPERS PUBLISHING

The papers should be written in the ECAI2007-Template-styles format. All the presented papers will be published in the FETC Scientific Bulletin – Series: *Electronics and Computer Science* Journal (ISSN 1453-1119). Extended version of selected best papers presented to the ECAI'07 will be free published in the journals: *Mediterranean Journal of Electronics and Communications* <http://www.medjec.com/> and *Mediterranean Journal of Computer and Networks* <http://www.medjcn.com/> (5 per journal, after that papers will be further reviewed as normal).
