PRESENTATION FORMS

The papers can be presented as conferences or posters. In case of conferences, it is highly recommended that their subject should be of a large interest. The individual original contributions and short communications, dealing with a process, a particular equipment or apparatus, are recommended to be presented as posters. The authors can choose the form of their presentation but the Scientific Committee has the final decision. A workshop entitled "Romanian Industry in the Context of EU Integration" is also included in the Symposium schedule.

SENDING CONFERENCES AND POSTERS

The participants should fulfil the registration form and send one page abstract in both Romanian and English, for the Romanian participants and in English for the foreign ones (the translation into Romanian of the foreign participants abstracts is assured by the organizers). The dead line for sending the abstract for a Conference will be 15 March 2007, while the application for posters will be received until the Symposium beginning but only those received until 15 April 2007 will be included in the Final Program.

The abstract should be clear and easily readable. The authors will receive a letter of acceptance in due time. For all of the papers an abstract and the whole paper have to be received until 15 April 2007.

The papers reported during the Symposium will be published with priority in the RSCC Magazine, journal accredited by the Ministry of Education and Research (CNCIS) and included in KOSMETDATA (IFSCC).

EXHIBITION

Along with the Symposium, an EXHIBITION will be organized for cosmetic and pharmaceutical companies, raw material providers, manufacturers of equipment and apparatus as well as to the editing Houses for scientific literature in the field. This exhibition offers the opportunity of exchanging ideas and making acquaintance with industry representative from all over the world.

The registration for the exhibition is expected until 25 April 2007. The participants will receive an exhibitor catalogue.

Second Circular

In the Second Circular the Symposium Program will be given. This Circular will be sent to all of the registered persons until 25 April 2007 and will contain detailed information concerning the travel, accommodation, social program, weather etc.
